

WHAT'S NEW on *MLA HANDBOOK PLUS*?

MLA Handbook Plus is much more than the ninth edition of the handbook. Each year we update the existing content as well as add enhancements such as video courses, new editions of our MLA Guides, fresh examples, and more. New this fall:

- more than 100 new citation examples, many for works in languages other than English
- new guidance on formatting headings, glossaries, and appendixes in research papers
- video courses on quoting and paraphrasing and on using the practice template, with quizzes and a final assessment
- new sample student papers featuring formatting and documentation in MLA style
- new guidance on formatting song lyrics
- new guidance on using notes to provide original publication information
- the second edition of the *MLA Guide to Undergraduate Research in Literature*
